CATALOG

UNIVERSITY OF CALIFORNIA PRESS, JOURNALS + DIGITAL PUBLISHING

Founded in 1893, University of California Press, Journals and Digital Publishing Division disseminates scholarship of enduring value. One of the largest, most distinguished, and innovative of the university presses today, its collection of print and online journals spans topics in the social sciences, humanities, and sciences with concentrations in sociology, musicology, history, religion, cultural and area studies, biological sciences, law, and literature.

CALIBER

University of California Press Journals Online

Caliber (<http://caliber.ucpress.net>) contains the complete text of all journals published by UC Press and the societies on behalf of which it publishes.

Caliber offers a range of enhancements including a suite of personalization tools for the end user as well as functionality for librarians including easy set-up and site customization, subscription administration and usage tracking with COUNTER compliant statistics.

For most titles the archive dates back to 2001, though for some journals we have a complete archive extending back to first year of publication. If an archive exists on JSTOR a link is provided between the two collections (separate JSTOR subscription required to access full text).

JOURNAL TRIALS

Free trials are available to any of the journals listed in this brochure. To arrange access, please contact us at library@ucpressjournals.com.

NEW FOR 2009! BIOSCIENCE

Since 1964, *BioScience* has presented readers with timely and authoritative overviews of current research in biology, accompanied by essays and discussion sections on education, public policy, history, and the conceptual underpinnings of the biological sciences.

RELIGION AND AMERICAN CULTURE

A Journal of Interpretation

Religion and American Culture explores the interplay between religion and other spheres of American culture. The only journal devoted to promoting the ongoing scholarly discussion of the nature, terms, and dynamics of religion in America, it embraces an array of methodological approaches and theoretical perspectives, publishing articles that exemplify both innovative and more traditional aspects of American religious scholarship.
