

Revised Caliber activation instructions

Thank you for subscribing to University of California Press journals on Caliber. Your institution now has access to your UC Press subscriptions on the Caliber website <http://caliber.ucpress.net>.

This short document will guide you through the set-up process. If you experience problems please contact us at caliber@ucpressjournals.com.

To set up access for your institution you will need to do the following:

#1 Register as an administrator

<http://caliber.ucpress.net/action/institutionAdminActivation>

Follow the registration process and click 'submit' at the end to complete.

One person needs to be the administrator who will set up the account add the IP ranges for your institution.

#2 Activate your subscription(s)

2.1 Enter your activation code = customer number

You may contact caliber@ucpressjournals.com
To confirm your institution's subscription account number
To let us know if subscriptions are missing

2.2 Enter the IP ranges for your institution here

<http://caliber.ucpress.net/action/institutionMultiIpChange>

'Add IP' button at the foot of the page to ensure the IP ranges are added to the system.

Your institution now has full-text access to UC Press journals. You may need to log out and log back in to get access to titles.

Multiple accounts

If your institution has multiple accounts you will need to activate and add IP ranges for each account, separately.

Account management

<http://caliber.ucpress.net/action/institutionAdmin>

Sign in with your username and password to: modify IP ranges, add additional administrators to the account, download usage statistics, etc.
