

SALES & MARKETING

UNIVERSITY OF CALIFORNIA PRESS
JOURNALS + DIGITAL PUBLISHING

An integral part of University of California Press's publishing solution is helping our partners obtain new subscribers, increase renewal sales, and achieve high brand awareness and positive visibility among relevant educational and professional audiences. Our moderate pricing and library-friendly licensing policies have allowed our journals to build a strong core of loyal academic subscribers while also generating high levels of citations. We pursue proactive sales and marketing strategies, including:

RESEARCH

market and audience analysis

PROMOTION

publicity, advertising, direct marketing, and representation at industry meetings

TELESALES

domestic and international telephone sales campaigns

AGENCY SALES

liaison with leading US and overseas subscription agencies

ONLINE MARKETING

enhanced presence via prominent search results, effective online encyclopedic entries, social networks, and links through www.ucpressjournals.com

ALLIANCES

collaboration with respected sources in the library sales community, in North America and beyond.
